RCG IT Recognized for Excellence by VARBusiness500

Edison, NJ, May 29, 2008 – RCG Information Technology (www.rcgit.com) is recognized by Everything Channel's *VARBusiness* magazine as one of North America's top technology integrators. RCG IT placed number 236 in the 14th annual *VARBusiness* 500 ranking. The survey was conducted from approximately 10,000 IT solution providers in the top North American IT providers, consultants, integrators and service organizations based on the annual revenue in year 2007. Together, the VAR500 companies generated an aggregate \$344 billion in sales in 2007.

"The Solution Providers on this list are the primary influencers of business technology decision making. This is why the VAR 500 is such an important list, because these are the top Solution Providers in the industry, and we salute each of them for their stellar performance," said Robert C. DeMarzo, senior vice president and editorial director, Everything Channel.

The VAR 500 list details the leading revenue producers among technology integrators and technology Solution Provider organizations in North America. The list's ranking is based on gross worldwide revenue.

RCG IT is acknowledged for expertise in web-based, client/server and legacy systems with 95% client satisfaction. This is the sixth consecutive year RCG IT has earned this recognition on the *VARBusiness* 500 List.
